

PELORUS SHIPPING · INDEPENDENT

The Commercial Freight Desk Behind Industrial Supply Chains

Freight and chartering brokerage for bulk, breakbulk, and project cargo.

Pelorus connects cargo owners, traders, manufacturers, terminals, vessel interests, and transportation providers. We source freight and terminal solutions, negotiate commercial terms, and help move industrial cargo opportunities from initial requirement through commercial execution.

OCEAN · BARGE · TERMINAL & STORAGE · RAIL · INLAND

WHAT WE HANDLE

The transaction, end to end.

- ◆ Dry bulk, breakbulk, and project cargo
- ◆ Voyage charters and recurring freight programs
- ◆ Ocean and barge freight
- ◆ Terminal, storage, rail, and inland solutions
- ◆ Freight sourcing and commercial negotiation
- ◆ Cargo, vessel, and terminal introductions
- ◆ U.S. commercial representation
- ◆ Outsourced freight management
- ◆ Terminal and market-entry assignments

WHO WE WORK WITH

Both sides of the transaction.

- ◆ Cargo owners and industrial shippers
- ◆ Commodity traders and importers
- ◆ Manufacturers and foreign producers
- ◆ Shipowners and operators
- ◆ Terminal and warehouse operators
- ◆ Developers and investors in industrial logistics

HOW TO ENGAGE PELORUS

Start with the transaction in front of you.

Pelorus can support an individual transaction, recurring freight program, commercial representation mandate, or special project. Engagement terms are structured according to the scope, complexity, and duration of the assignment.

Have cargo, capacity, or a commercial requirement?
Let's discuss it.
